

# Mass Customized Learning National Alliance Partners

**McGarvey Educational Associates (MEA)** [mcgarvey@maine.rr.com](mailto:mcgarvey@maine.rr.com)  
Bea McGarvey consults with educators throughout the United States and Canada in the areas of teaching and learning, leadership, and in transforming schools to realize a new vision for education.

## **Schwahn Leadership Associates (SLA)**

[chuckschwahn@yahoo.com](mailto:chuckschwahn@yahoo.com)

Dr. Charles (Chuck) Schwahn works with businesses and school systems throughout North America providing consultation and training on the topics of leadership, change, personnel practices, and future-focused strategic design.

## **Lindsay Unified School District**

<http://www.lindsay.k12.ca.us/>

Lindsay Unified School District is a rural California District steeped in the tenets of Mass Customized Learning and driven by a future focused Strategic Design. In 2009, they created the Performance Based System, an innovative, learner-centered approach to education. Learners work at their performance level and advance through learning only when they have demonstrated proficiency of the required skills or knowledge.

## **Maine Cohort for Customized Learning (MCCL)**

<http://mainecustomizedlearning.org/>

MCCL is a coalition of school systems (from Maine & New Hampshire), organizations, and individuals committed to supporting proficiency-based, customized learning. MCCL supports learning communities with learner outcome progressions, instructional resources, and professional development.

## **Pennsylvania Leadership Development Center (PLDC)**

[www.paldc.org/](http://www.paldc.org/)

The Pennsylvania Leadership Development Center (PLDC) is a non-profit (501c3) organization established in 1995 to leverage professional learning to inspire, support and influence educational leaders. PLDC is a founding member of the Mass Customized Learning National Alliance and collaborates with alliance partners. PLDC customized programs, innovation, and collaboration support school leaders in the implementation of Mass Customized Learning (MCL). MCL runs through our veins!

## **Technology & Innovation in Education (TIE)**

[www.tie.net](http://www.tie.net)

TIE assists schools with technology-related professional development and a wide variety of pedagogical and content-related services. TIE is invested in assisting schools to move from the Industrial Age model of "doing school" to an empowerment model where student-centered learning becomes possible.
